The security and integrity of the games we offer is paramount to our success. Read on for details of the 2 measures we take to ensure this high level of security, as well as how you can help protect your account.

We 2 operate online poker cash games and tournaments, taking a small amount from most cash game pots (in the form of 2 'rake') or tournament buy-ins (via entry fees) as financial recompense. Operating with this business model, the integrity of the game 2 is paramount to our success. In fact, we maintain teams of game integrity experts to ensure no player could ever 2 gain an advantage at the table through anything but their own skill and ability.

We rely on our hard-won, independently verified 2 reputation for providing a fair and honest game. For this reason, allowing players any sort of unfair advantage, or 'punishing' 2 any players with an unfair disadvantage, would be counter-productive and damaging to our reputation and our business. And as you 2 can see below, would also be technically impossible.
