Placing a bet on the live roulette table is simple: all you need to do is pick your desired amount (as long as it's higher than the minimum bets for that lobby), decide which bet you want to make, and click on it. From there, the live dealer will acknowledge your bet and place physical chips on the table.

As with the main roulette board, tiles included in each bet are highlighted when players roll their mouse across them in order to clearly indicate what is included in each special bet.

Another special feature included in 3D European Roulette online is the ability to place repeat bets. The repeat bet option appears straight after the previous spin has been completed. Players are given two options for repeat bets, players can choose to either repeat the previous bet once or repeat it twice.
