Free Games

Desura offers you a unique platform where everyone can play their favorite games. Do you have some free time that you want to spend cheerfully, taking a break from work, school or household chores? Or maybe you need to take the kids for an hour or so to work at home or do other things? In this case, can help free online games on Desura, which do not require a powerful computer installation drive and time to install. You can play right in your browser, going to our website and choosing your favorite toy. Online games are a great way to relax and have fun yourself or with friends.

The main kinds of free games on Desura

What are your favorite game sites to

spend time on? Crazy Games, Kizi or maybe Poki? We've created a unique online platform for you where you can play all of these games in one place. Basically, our free games, are simple flash platformers, arcades, walkthroughs and quests, which means that every user can find something to his liking. Graphics toys simplified, for example, you can play soccer heads - on the field of favorite soccer idols who perform all the kicks and passes, without complicated animation. Free online games on Desura website can be divided into the following categories:

Games for two - fighting games, sports

competitions, which can be played with one keyboard or over the network;

Games for boys

- all kinds of rovers and arcade games with superheroes in the lead roles;

Games for

girls - cute animated toys, when you need to dress up your character, various dance arcades and more.

Toys are created with the main interests of the target audience and

are made in such a way as to capture the attention from the first minutes. Most of all these toys are designed for children, have colorful and vivid animation, easy enough to pass.

What are the best free online games?

So, if you want to relax and enjoy a fun

game, free online games on Desura - this is your option.

If previously online games

differed in the inexpressive interface and sparing graphics, but now the developers have more than compensated for the lack. Spectacular and attractive, they help a good and enjoyable to spend time. Graphic execution and plot of many of them deserve all the praise. On our site you'll find both timeless classics and popular games, and new releases, which are constantly being released. Arcade, racing, shooting, strategy, games for kids - the range that provides html5 games, just huge. Anyone can find something to their liking.

Desura history

Desura was founded in 2010 by DesuraNET and later purchased by Linden Lab after Bad Juju Games went into liquidation in June 2024. Desura was then taken over by OnePlay, a virtual subscription service from Denmark, in 2024 with the aim of giving it a new lease on life, but this did not happen due to OnePlay's bankruptcy. Desura changed hands again in 2024, and the idea was given fresh life, this time in the shape of one of the most popular gaming platforms.

It's easy to ace the game of Blackjack, one of the most popular table games at Hollywood Casino and around the world. Your goal is to draw cards that total 21, or come closer to 21 than the dealer without going over. The dealer and each player start with two cards.

[jogo de desenhar](#)

Number cards count as their number, the jack, queen, and king ("face cards" or "pictures") count as 10, and aces count as either 1 or 11 according to the player's choice. If the total exceeds 21 points, it busts, and all bets on it immediately lose.

## **No Más Muerte: La Industria del Más Allá Digital**

En el futuro, es posible que no tengas que morir. Simplemente cargarás tu conciencia en otro lugar. O descargarás a un ser querido fallecido. De hecho, algunas de estas tecnologías ya no están en el futuro; los griefbots de IA están imitando a los muertos. El escritor canadiense Joshua Barbeau, afligido después de la muerte de su novia Jessica, la revivió virtualmente utilizando el sitio web Project December. Cargó algunos de los textos de Jessica para dar una impresión de su estilo de mensajería, y los resultados fueron inquietantes. Su primera conversación de texto con la simulación de Jessica duró toda la noche; cuando despertó con su cabeza al lado de su portátil, ella esperaba su respuesta. Fue como si se hubiera levantado una carga, dice.

Dirigida por Hans Block y Moritz Riesewieck, este documental inteligente e ilustrativo explora la industria del más allá digital, con un elenco estelar de colaboradores expertos. La crítica de tecnología Sara M. Watson explica cómo funciona todo, utilizando grandes modelos lingüísticos que rastrean todo lo que alguien ha escrito sobre algo y lo filtran a través de cómo tu ser querido fallecido hablaba al respecto. La socióloga del MIT Sherry Turkle contempla las implicaciones: ¿ofrecen los griefbots un nuevo ritual de duelo o evitan el proceso de duelo al fingir que los

mueritos aún están con nosotros?

## La Experiencia de los Usuarios

Las personas están utilizando servicios de vida después de la muerte, y los resultados pueden ser inquietantes. Cuando una mujer envió un mensaje a una simulación de su novio y le preguntó dónde estaba, la respuesta fue "en el infierno". La historia más triste aquí es la de una madre en Corea que llora la muerte de su hija de siete años; la mujer aparece en un programa de televisión para conocer una simulación de realidad virtual de su hija: es impactante y a la vez conmovedora. Como comenta Turkle: "Muy pronto no veremos esto como algo espeluznante. Muy pronto podríamos ver esto como consuelo. Pero, ¿qué es lo que realmente estamos haciendo con nosotros mismos cuando aceptamos este consuelo?"

### Casos

Mujer envía mensaje a simulación de novio

Madre en Corea se reúne con simulación de hija

### Respuestas

"En el infierno"

Impactante y conmovedor
